

CHANGING THE WORLD ONE CASE AT A TIME WITH CREATIVITY & TENACITY

McMurray Henriks, LLP is a dynamic duo of husband and wife with combined legal experience of more than 40 years. The boutique firm's partners, Randy McMurray and Yana Henriks, vigorously advocate for the wronged and overpowered.

McMurray is a former partner of renowned lawyer Johnnie Cochran. An AV-rated attorney who has been named to Super Lawyers for 13 years, McMurray primarily handles catastrophic personal injury and civil rights cases. He was the first African American president of the Consumer Attorneys Association of Los Angeles.

Prior to forming the firm, Henriks specialized in complex business disputes. She then quickly and successfully transitioned into civil rights, wrongful death and medical malpractice. Selected for three years to Rising Stars and now to Super Lawyers, Henriks takes an aggressive law-and-motion approach in plaintiffs' cases, successfully establishing liability and defeating affirmative defenses. Henriks also fights civil rights cases in appellate court, winning opinions that further protect the right to a fair trial.

Together, McMurray and Henriks created a practice that sets precedent in new and evolving areas of law.
