## MCMURRAY HENRIKS, LLP

McMurray Henriks, LLP is dedicated to the pursuit of justice for its clients. The firm's primary goal is to bring clients a full measure of justice, whether they were harmed by excessive force used by law enforcement; in a collision; in a business or employment relationship; or through the negligence of a hospital, doctor or nurse.

McMurray Henriks, LLP boasts a historic track record and award-winning representation. Its managing partner, Randy McMurray, was a former partner of the legendary Johnnie L. Cochran, Jr. and former managing partner of The Cochran Firm Los Angeles. In addition to being chosen as a Man of Valor by the National Association for the Advancement of Colored People Youth Counsel in 2011, McMurray has been selected to Super Lawyers for nine years. He has record-setting verdicts and settlements from Eureka to San Diego in many different areas of law.

The firm's co-founder and partner, Yana Henriks, brings international

experience she gained by practicing law in different countries. She boasts extensive experience in high-stakes litigation in federal and state courts. She has served as lead counsel in class action suits, mass tort actions, franchise and licensing disputes, trademark litigation, and complex excessive force cases. She obtained significant jury verdicts in difficult cases and challenging venues. In 2016, her zealous prosecution of a challenging police shooting case resulted in a \$1.5 million settlement by the County of Los Angeles. Henriks is a passionate advocate for analyzing and changing law, and this allows her to provide timely and cost-effective services to companies that require legal advice, assistance or representation in simple and complex matters. She brings her passion for justice to every client she represents. Henriks has been named to the Rising Stars list for three consecutive years.
